Korean Women's Studies

CREATED: December 20, 2004

UPDATED: November 11, 2005

Welcome

Welcome to the Korean Women's Studies Resource Guide.

This guide is intended primarily for the East Asian Studies students at the University of Toronto.

Electronic and print resources are included to help you get started on your research on Korean Women's Studies. The print resources are located in the Cheng Yu Tung East Asian Library, Robarts Library, and other University of Toronto libraries.

The list of resources presented in this guide is somewhat selective and is meant for browsing the titles on women available at the University of Toronto. It does not list absolutely all that are available electronically at the University of Toronto.

Construct a search by using any of the following words: women woman women's female feminist feminism gender for a method that will result in a somewhat longer list.
