The Cheng Yu Tung East Asian Library is pleased to host the exhibition, *Chinese Art Masterpieces in Print: History, Lineage, Legacy*, in collaboration with Dr. Jennifer Purtle, Associate Professor in the Department of Art History, and Rose Ting-Yi Liu, PhD Candidate in the Department of East Asian Studies at the University of Toronto.

This exhibition has been curated, developed, and executed by three generations of students from the FAH465 Exhibiting China course (2020, 2023, and 2025). Drawing on the East Asian Library's unique special collections of Chinese artifacts, the exhibition showcases items from the library's own holdings.

Please join us for the exhibition opening on June 26 at 1 PM at the Cheng Yu Tung East Asian Library, where students will share their experiences curating and developing the exhibition.
